## Creature Tokens

If you are using printed maps in your adventures, it can be convenient to print and cut out these Tokens to represent where Creatures are located on the map.

# Chapter 7

## Player Character Tokens

These Tokens can be used to represent what Player Characters look like. If you are using printed maps in your adventures, it can be convenient to print and cut out these Tokens to represent where Player Characters are located on the map. Remember, Player Characters can look like anything, so your Players don't need to be limited to these pictures.

## Energy Point Tokens

These Tokens can be used to represent the number of energy points Player Characters have.

## Trait Tokens

For younger Players, it's easier to keep track of Tokens gained and lost during the game by using physical Tokens, instead of calculating Tokens by adding and subtracting numbers on the character sheet. If you'd like to use physical Tokens in your game, you can copy this page and cut out the Tokens.
